

Van Halen, On Fire

Turn your radios on
I'll appear right there! Yes I will
Turn me up real loud
I'm in your, ears!
Now I'm hanging ten now baby
As I ride your sonic, ooh-wave
(Owwwwwwww!)

Good, God y'all
I'm on fire
I'm on fire
I'm on fire
I'm on fire

Oh yeah!
One time!

Fire!
Fire!
Fire!

(Guitar Solo)

Ow!
Woo!
Ahhh!
Ah-ha!

Ooo!
Ooo!

Lay your bodies down
I'm in your beds. Your beds
Throw your headphones on
I'm in your heads! Ah-ha!

Now I'm hangin' ten now baby
As I ride your sonic, oo-wave
(Ahhhhhhhhhhh!)

Good God y'all

I'm on fire
I'm on fire
I'm on fire (Ow!)
I'm on fire (Woo! Woo!)
I'm on fire (Woo! Woo!)
I'm on fire (Wooooooo!)
I'm on fire
I'm on fire (Wooooooo!)
I'm on fire
I'm on fire (Ow!)
I'm on fire (Ah!)
