

Van Halen, Somebody Get Me A Doctor

(One, two, three, four)

Ooh yeah! Ow-ow!

You better call me a doctor, feelin' no pain

Overloaded, down the drain

Somebody get me a doctor

You better call up the ambulance I'm, deep in shock

Overloaded baby, I can hardly walk

Somebody get me a doctor (Ooh!)

Somebody get me a doctor

Yeah! I'm feelin' over fine

And I'm speedin', down that line

Woo, woo!

(Guitar Solo)

Ow! Ow! Ow!

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah!

Woo!

Oh, woo-woo-woo-woo-woo-woo-woo!

Ow!

Ooo!

Ya better call up a doctor, feelin high

I'm overloaded baby, I say "Bye-bye!"

Somebody get me a doctor. Oh, yeah!

Somebody get me a doctor. Ooh, ooh!

Somebody get me a doctor. Ah, yeah!

Ooh!

Somebody give me a shot!
