

# Van Morrison, Baby You Got What It Takes

(Clyde Lovern Otis, Murray Stein)

Well, it takes more than a robin  
To make a winter cold  
Then it takes two lips of fire  
To melt away the snow  
Yeah, and it takes two hearts a-cookin'  
To make a fire glow  
And baby, you got what it takes

(Pullin' together)

Well, it takes a lot of kissin'  
To make a romance sweet  
And it takes a lot of lovin'  
To make my life complete

And it takes a lot of woman  
To knock me off-a my feet

And baby, you got what it takes

Ooo-ooo-ooo-ooo-ooo-ooo-ooo-ooo-we  
Ooo-ooo-ooo-ooo-ooo-ooo-ooo-we  
Baby, you've got just what it takes

And it takes more than an effort  
To stay away from you  
And it takes more than a lifetime  
To prove that I'll be true  
(Sing it with me)

Yeah, and it takes somebody special  
To make me say, "I do"  
And baby, you got what it takes

Woo-woo-ooo-ooo-ooo-ooo-ooo-ooo-we  
Woo-woo-woo-woo-woo-we  
Baby, you got just what it takes

Well, it takes more than an effort (hoo)  
To stay away from you (ooo, I know it)  
And it takes more than a lifetime  
To prove that I'll be true

And it takes somebody special  
To make me say, "I do"  
And baby, you got what it takes  
Oh yeah

And baby, you got what it takes

And baby, you got what it takes
