

Van Morrison, Don't Worry About Tomorrow

Don't worry about tomorrow
That ain't gonna help you none
Don't worry about tomorrow
That ain't gonna help you none
You've gotta live and take each day as it comes

It may not be exactly what you're looking for
It may not be exactly what you're looking for
But what you're looking for ain't gonna come walking
Through your front hall door, oh no

So, don't worry about tomorrow
Gotta live each day as it comes
Don't worry about tomorrow
You gotta live each day as it comes
It's the only way you seem to get things done
