

Van Morrison, Go For Yourself

Hey, where you gonna go for yourself?
I think you should go for yourself.
I think you should go for yourself this time.
I think this time you should go for yourself.
I think you should go for yourself this time.
This time I think you should go down funky Broadway.
Oh, baby, baby.
Baby, I wanna get a job down funky Broadway.
Go for yourself.
Go for yourself.
Go for yourself.
Go for yourself baby.
Go for yourself.
I think you should go for yourself.
Go for yourself.
