

# Van Morrison, I Believe To My Soul

(Ray Charles)

One of these days and it won't be long  
You're gonna look for me an' I'll be gone  
'Cause (I believe, yes I believe)  
Said I believe right now  
I believe, yes I believe  
Oh, I believe to my soul  
Tryin' to make a fool out of me

I believe it!  
(I believe it)

Oh, goin' 'round here wit' yo' head so hard, huh  
I think I'm gonna have to use my rod  
'Cause I believe (I believe) yes I (believe)  
Said I believe right now (I believe) yes I (believe)  
Whoa-oh, I believe to my soul  
Tryin' to make a fool outta me

(I believe it)  
(I believe it)

Last night I was dreamin' and I got your plan  
Saw you an' your girlfriend walkin' hand in hand  
That's why I believe (I believe, I believe)  
Said I believe right now (I believe, yes I believe)  
Whoa-whoa, I believe to my soul  
Tryin' to make a fool outta me

I believe it !  
(I believe it)

[Instumental & horn solo]

Last night I was dreamin' an' I dug your plan  
Saw you an' your girlfriend walkin' hand in hand  
And I believe, I believe yes (I believe)  
Said I believe right now (I believe, yes I believe)  
Whoa-whoa, I believe to my soul  
Tryin' to make a fool outta me

I believe it!
