

# Van Morrison, I'll Take Care Of You

I know you've been hurt  
By someone else  
I can tell by the way  
You carry yourself  
But if you'll let me  
Here's what I'll do  
I'll take care of you

I loved and lost  
Same as you  
So you see I know  
Just what you've been through  
So if you'll let me  
Here's what I'll do  
I got to take care of you

You won't ever have to worry  
You won't ever have to cry  
I'll be there beside you  
To dry your weeping eyes

So darlin' tell me  
That you'll be true  
'Cause there's no doubt in my mind  
I know what I want to do  
And just as sure as  
One and one are two  
I just got to take care of you  
I'll take care of you
