

Van Morrison, I'm Movin' On

I've warned you baby from time to time
But you just wouldn't listen, don't pay me no mind
So I'm movin' on keep movin' on
Oh, I'm rollin' on roll on, roll on
You've broken your vow and it's all over now
And I'm movin' on movin' on

That big eight wheeler goin' down the track
Say your true lovin' daddy ain't comin' back
So I'm movin' on keep movin' on
Oh, I'm rollin' on roll on, roll on
You were flyin' too high for my little sky
And I'm movin' on movin' on

Someday baby when you've had your play
Want your daddy but your daddy will say
He's movin' on keep movin' on
Oh, he's rollin' on roll on, roll on
Through with you, too bad you're blue
And I'm movin' on, alright movin' on

Mister Engineer, take your throttle in hand
Take me down to that southern land
Keep movin' on keep movin' on
Oh, keep rollin' on roll on, roll on
Can ease my mind, get me there on time
And I'm movin' on movin' on

Mister Fireman, won't you please listen to me
I got a pretty woman in Tennessee
I'm movin' on keep movin' on
Oh, I'm rollin' on roll on, roll on
She's fine as can be, and she's waitin' for me
And I'm movin' on movin' on

I'm gonna move yes, I'm movin'
I'm gonna move yes, I'm movin'
Oh, move yes, I'm movin'
I'm gonna move yes, I'm movin'
She gonna move it
Movin' on yes, I'm movin'

I'm gonna move yes, I'm movin'
Keep going on yes, I'm movin'
I'm gonna move yes, I'm movin'
Keep going on yes, I'm movin'
You were flyin' too high for my little sky
And I'm movin' on yes, I'm movin'

I'm gonna move yes, I'm movin'
Yes, I'm movin'
Yes, I'm movin'
Yes, I'm movin'
Yes, I'm movin'

Yes, I'm movin'
Yes, I'm movin'
Yes, I'm movin'
Yes, I'm movin'
Yes, I'm movin'
