

# Van Morrison, Instrumental / Tell Me What I Want

Tell me what you want, tell me what it is  
Tell me what you want baby, tell me what it is  
Everybody's got me moaning  
Every single night and day  
Can't stand it anyway  
Everybody's got me moaning  
To tell me what you want, yeah, tell me what you need  
Tell me what it is, say what  
Tell me what you want, tell me what it is  
Tell me what you need, see if I can get it  
Tell me, tell me, tell me, tell me, tell me, tell me, tell me  
Tell me what you want, tell me what you need  
See if I can get it right now child  
Tell me darling, tell me, tell me, tell me, tell me baby what you want  
You're coming on strong, coming on strong  
Tell me what you want baby, tell me what you need
