

Van Morrison, It's All In The Game / You Know What They're Writing About

It's All In The Game

Many a tear has to fall
But it's all in the game

All in the wonderful game
That we know as love

You had words with him
And your future's looking dim
But these things your heart can rise above

Once in a while he won't call
But it's all in the game

Soon he'll be there by your side
With a small bouquet

And he'll kiss your lips
And caress your fingertips
And your heart will fly away

You had words with him
And your future's looking dim
But these things your heart can rise above

Once in a while he won't call
But it's all in the game

Soon he'll be there by your side
With a small bouquet

And he'll kiss your lips
And caress your fingertips
And your heart will fly away

====You Know What They're Writing About====

</lyrics>

You know what they're writing about
Baby you know what they're writing about
It's a thing called love down through the ages
Makes you wanna cry sometimes
Makes you feel like you wanna lay down and die sometimes
Makes you high sometimes
But when you really get in it lifts you right up

Ain't it a wonderful game
Ain't it a marvellous game
And when there's no more words to say about love I go

Meet me down, meet me down,
Meet me down by the river
Meet me down by the water
Meet me down by the water
Meet me down by the pylons
Meet me down by the pylons
Meet me down by the pylons
Meet me down by the pylons

Meet me, meet me, I want you to meet me - are you there
And know, know, know, know
I want you to meet me - are you there
I want you to meet me - are you there
And know, know, know, know, know

I want you to meet me
