

Van Morrison, It's Alright

If it matters how you do it,
And how you do it it's your thing.
If it matters which way you go,
That's your way to go.
And if you get it like that,
That's the way you get it,
'Cause you get it like that
When you want to be that way,
When you wanna be that way,
That's the way you wanna be, see.

Hey! It's all right.
Hey!
Yeah, its all right.

Now that you try to do to me
Out there a-walkin' doesn't matter, baby
Ain't no question, no suggestion
Nothin' in my mind that can't be
Shut out when I want it to be
Nothin' in yours that can't be kept in
When you open it up and lose it
And nothin' you can't let out
If it's got to be let out, just let it out
And don't worry which way it goes.

Hey! It's all right.
Hey!
Yeah, its all right.

Now how can I tell you that I love you
How can I say so many words and so many syllables
In such a short space of time as this
Just turn it on and soak it in
And let it run off the walls
And let it down, keep it, and don't lose it
Or confuse it
It's just right there layin' open
Completely open for everybody to see
Yeah, you got it.

Hey! It's all right.
Hey!
Yeah, its all right.
