

# Van Morrison, Kingdom Hall

(Van Morrison)

So glad to see you  
So glad you're here  
Come here beside me now  
We can clear inhibition away  
All inhibitions  
Throw them away  
And when we dance like this  
Like we've never been dancin' before

[Chorus:]

Oh, they were swingin'  
Down at Kingdom Hall  
Oh, bells were ringin'  
Down at the Kingdom Hall  
A choir was singin'  
Down at the Kingdom Hall  
Hey, liley, liley, liley  
Hey, liley, liley, low  
Do do do do do do, do  
Do do do do do do  
Do do do do do do, do  
Do do do do do do

Good body music  
Brings you right here  
Free flowin' motion now  
When we're shakin' it out on the floor  
Good rockin' music  
Down in your shoes  
And when we dance like this  
Like we've never been dancin' before

[Chorus]

Down at the Kingdom Hall  
They were havin' a party  
They were havin' a ball  
Bells were ringing out  
And the choir was singin'  
Hey, liley, liley, liley  
Hey, liley, liley, low  
Do do, do do, do do, do do  
Sugar was there  
Did you see Sugar  
Down at the Kingdom Hall  
Sugar was tough
