

# Van Morrison, Listen To The Lion

And all my love come down  
All my love come tumblin' down  
All my love come tumblin' down  
All my love come tumblin' down  
Oh, listen listen  
To the lion  
Oh, listen listen listen  
To the lion...  
Inside of me  
Oh, oh, oh

And I shall search my soul  
I shall search my very soul  
And I shall search my very soul  
I shall search my very so-o-oul

For the lion  
For the lion  
For the lion  
For the lion...  
Inside of me  
Oh, oh, yeah

And all my tears have flown  
All my tears like water flown  
And all my tears like water flown  
All my tears like-a water flown

For the lion  
For the lion  
For the lion  
For the lion...  
Inside of me

[growling, scattin', etc.]

Listen to the lion [repeated 14 times]

[more scattin']

And we sailed, and we sailed...  
And we sailed, and we sailed...  
And we sailed, and we sailed...  
... sailed to Caledonia

And we sailed, and we sailed,  
And we sailed, and we sailed, and we sailed...  
Away from Denmark  
Way up to Caledonia  
Away from Denmark  
Way up to Caledonia

And we sailed, and we sailed, and we sailed...  
All around the World  
And we sailed..., and we sailed..., and we sailed...  
Looking for a brand new start

And we sailed...  
And we sailed, and we sailed...  
All around the World  
... a brand new start

Looking for a brand new start  
Looking for a brand new start

Looking for a brand new start

And we sailed, and we sailed, and we sailed...

And we sailed...

Away from the Golden Gate

Way up to the New York City
