Van Morrison, Lorna

See you smile angel child, that's all I ever wanted to do. See your laugh in a photograph, that's all I ever wanted to do. See your swishin' walk, and talk your baby talk, that's all I ever wanted to do. Lorna, Lorna, that's all I ever wanted to do. Carry you, carry you down by the banks of the river, all along down, all along down the grasses' [throne ?]. Carry you, carry you, by the banks of the river, that's all, that's all I wanted to do. I'll carry all your books to school, and maybe be your fool, that's all I wanted to do. Ah, just to hold your hand all along the golden sand, that's all I wanted to do. Lorna. Lorna, that's all I ever wanted to do.
