

# Van Morrison, Lover's Prayer

Lord, Lord, Lord, Lord, Lord  
Lord, Lord, Lord, Lord, Lord  
Lord, Lord, Lord, Lord, Lord

Just wanna be with my love tonight  
I don't want no jive artists calling me on the telephone  
Don't wanna watch the Carson show all alone  
I just wanna lay back, take my rest  
With the one I love's head resting on my chest

Lord, Lord, Lord, Lord, Lord  
Lord, Lord, Lord, Lord, Lord  
Lord, Lord, Lord, Lord, Lord

Just wanna be with my love tonight  
And I don't want my best friends even coming round  
'Cos if they do I might put 'em down  
Carson's over and the lights way down low  
And all I got, I got a heart full of soul

Lord, Lord, Lord, Lord, Lord  
I said, Lord, Lord, Lord, Lord, Lord  
I said, Lord, Lord, Lord, Lord, Lord

Just wanna be with my love tonight  
And it's a lover's prayer, oh yes it is  
Takes a little time, takes a little care, yeah, yeah, yeah  
And when it gets way on in the midnight hour  
I just wanna play my guitar  
I just wanna see you smile, touch your face  
Be with you in my own place

Lord, Lord, Lord, Lord, Lord  
I said, Lord, Lord, Lord, Lord, Lord  
Lord, Lord, Lord, Lord, Lord

Just wanna be with my love tonight  
Just wanna be with my love tonight  
Just wanna be with my love tonight
