

Van Morrison, Naked In The Jungle

Naked in the jungle, naked to the world
Naked in the jungle, naked to the world
Well, you gotta keep it humble, else it'll come unfurled

Lions and the tigers, grazin' in the grass
Lions and the tigers, grazin' in the grass
As I keep a-watching over, make sure no one can pass

Ha ha ha ha ha, ha ha ha ha ha, ha ha ha ha ha. Aaaaah!
Speak out, speak out, speak out, speak out
Speak out, speak out, speak out, speak out
Speak out, speak out, speak out, speak out
Speak out, speak out, speak out, speak out

Ya na na na na, ya na na na na, ya na na na na,
Ha ha ha ha
Ya na na na na, ya na na na na, ya na na na na,
Ha ha ha ha
Ya na na na na, ya na na na na, ya na na na na,
Ha ha ha ha
Ya na na na na, ya na na na na, ya na na na na,
Ha ha ha ha

Big fish eat the little fish, and the rabbit's on the run
Big fish eat the little fish, and the rabbit's on the run
Some folks gettin' too much, other just ain't gettin' none

Naked in the jungle, naked to the world
Naked in the jungle, naked to the world
Well, you gotta keep 'em humble, else you'll come unfurled

Let's go boy!
Ha ha ha ha ha, ha ha ha ha ha, ha ha ha ha ha. Aaaaah!
Speak out, speak out, speak out, speak out
Speak out, speak out, speak out, speak out
Speak out, speak out, speak out, speak out
Speak out, speak out, speak out, speak out

Ya na na na na, ya na na na na, ya na na na na,
Ha ha ha ha
Ya na na na na, ya na na na na, ya na na na na,
Ha ha ha ha
Ya na na na na, ya na na na na, ya na na na na,
Ha ha ha ha
Ya na na na na, ya na na na na, ya na na na na
