

Van Morrison, No Other Baby

I don't want no other baby but you
I don't want no other baby but you
No other baby can thrill me like you do

Got a little woman, live a-just across the hall
Got a little woman, live a-just across the hall
Every evening she's wants me to call
But I say

I don't want no other baby but you
I don't want no other baby but you
No other baby can thrill me like you do

Lots of other women say, "Be my daddy. Do."
Lots of other women say, "Be my daddy. Do."
I don't want no other baby but you

I don't want no other baby but you
I don't want no other baby but you
No other baby can thrill me like you do
Yeah

I don't want no other baby but you
I don't want no other baby but you
No other baby can thrill me like you do
Yeah, yeah, yeah

I don't want no other baby but you
I don't want no other baby but you
No other baby can thrill me like you do

You do
