

# Van Morrison, Purple Heather

(Arranged By Van Morrison)

Well the summertime has gone  
And the leaves are gently turnin'  
And my love I wanna take you  
To the place heart-a-yearnin'  
Will you go, lassie go

And we'll all go together  
In the wild mountain thyme  
All around the blooming heather  
Will you go

And I will build my love a tower  
At the foot of yonder mountain  
And visit by the hour  
From a lonely wooden tower  
Will you go, lassie go

And we'll all go together  
In the wild mountain thyme  
All around the blooming heather  
Come on

At the foot of yonder mountain  
I will visit by the hour  
With the lily of the valley  
Go, will you go, lassie go

And we'll all go together  
In the wild mountain thyme  
All around the blooming heather  
Will you go, lassie go  
Will you go  
Will you go, will you go  
Will you go, lassie go
