

# Van Morrison, Reminds Me Of You

I miss you so much, I can't stand it  
Seems like my heart, is breaking in two  
My head says no but my soul demands it  
Everything I do, reminds me of you

I miss you so much, in this house full of shadows  
While the rain keeps pouring down, my window too  
When will the pain, recede to the darkness  
From whence it has come, and I'm feeling so blue

Ain't goin'down, no more to the well  
Sometimes it feels like, I'm going to hell  
Sometimes I'm knocking, on your front door  
But I don't have nothing, to sell no more

Seems like the spirit, is pushing me onwards  
I'm able to see, where I tripped and went wrong  
I'll just have to guess, where my soul will find comfort  
And I miss you so much, when I'm singing my song

Ain't goin' down, no more to the well  
And sometimes it seems, I'm going to hell  
You'll find me knocking, on your front door  
But I don't have nothing, to sell no more

Seems like my spirit, is pushing me onwards  
'Til I'm able to see where, I tripped when I went wrong  
I'll just have to guess, where my soul will get comfort  
I miss you so much, when I'm singing my song

I miss you so much, I can't stand it  
Seems like my heart is breaking in two  
My head says no, but my soul demands it  
And everything I do, reminds me of you  
Everything I do, reminds me of you  
Everything I do, reminds me of you
