

Van Morrison, Shake It Mable

Shake it Mable.
You look so good.
Everytime you shake it, Mable.
Hey Mable,
a-where ya' gonna shake it, Mable?
"I'm goin' down to shake it down funky Broadway, baby."
Can I come along with you?
"No you can't.
I'm gonna shake it all over funky Broadway, baby."
Hey Mable, can I come down to funky Broadway, baby?
I wanna come along with you.
I wanna come down to funky Broadway, Mable.
Maybe you and me get together and get screwed, baby.
Funky Broadway, yeah.
