

Van Morrison, Stop Drinking

(Lightnin' Hopkins, additional lyrics by Van Morrison)

You gotta stop drinking that wine sonny boy
You gotta stop drinking that wine sonny boy
If you don't stop drinking that wine
It's gonna poison your mind
You gotta stop drinking that old wine sonny boy

You drink Champagne it's gonna be better for you
You drink Champagne it's gonna be better for you
Everybody's going out
Going out to enjoy
You gotta stop drinking that wine sonny boy

You drink whiskey just have a tiny wee drop
You drink whiskey just have a tiny wee drop
You drink whiskey have a tiny wee drop
'Cos you just don't know when to stop
You gotta stop drinking that wine sonny boy

You gotta stop, bop, bop, bop
Gotta stop, bop, bop, bop
You gotta stop drinking that wine sonny boy
Everybody else going out
Going out to enjoy
You gotta stop drinking that wine sonny boy

Gotta stop, bop, bop, bop, bop
You gotta stop
Stop drinking that old wine sonny boy
If you don't stop drinking that wine
It's gonna poison your mind
You gotta stop drinking that wine sonny boy
