

# Van Morrison, (Straight To Your Heart) Like A Cannonball

Well you know sometimes it gets so hard  
And everything don't seem to rhyme  
I take a walk out in my backyard and go  
Do do loo do do, do do loo do do

Waiting for the sun to shine  
And you know sometimes it gets so painful  
Just like talking to yourself  
When everything don't seem to have no rhyme or reason we all go  
Do do loo do do, do do loo do do  
Waiting for the sun to shine

We move along  
Keep singing our song  
Straight to your heart like a cannonball  
La la ti da, la la ti da...  
Doo do loo do do.....  
Waiting for the sun to shine

Well you know, everyday we hear it through the grapevine  
That's why I'm so tired of hearing it through the grapevine anymore  
Because you hear it through the grapevine  
It's just a dirty rotten waste of time, we go  
Do do loo do do  
While waiting for the sun to shine

We move along  
Keeping singing our song  
Straight to your heart like a cannonball  
La la ti da, la la ti da...  
Doo do loo do do.....  
We move along  
Keep singing our song  
Straight to your heart like a cannonball.....
