

Van Morrison & The Chieftains, Celtic Ray

When Lewellen comes around
And he goes through market town
You'll be on the Celtic Ray,
Are you ready?

When McManus comes around
On his early morning round
Cryin' 'Heron 'a' lay'
You'll be on the Celtic Ray.

Ireland, Scotland, Brittany, and Wales,
I can hear those ancient voices calling,
'Children, children'

When the coalbrick man comes round,
On a cold November day
You'll be on the Celtic Ray,
Are you ready?

Ireland, Scotland, Cornwall and Wales,
I can hear those ancient voices calling,
'Children, children, children'

Listen Jimmy, I wanna go home.
Listen Jimmy I wanna go home.
I've been away from the Ray too long.

Listen Jimmy, I wanna go home.
Listen Jimmy I wanna go home.
I've been away from the Ray too long.

I've been away from the Ray too long.
In the early mornin', we'll go walkin' where
The light comes shining through
On the Celtic Ray,
Are you ready
