

Van Morrison, The Healing Game

Here I am again
Back on the corner again
Back where I belong
Where I've always been
Everything the same
It don't ever change
I'm back on the corner again
In the healing game

Down those ancient streets
Down those ancient roads
Where nobody knows
Where nobody goes
I'm back on the corner again
Where I've always been
Never been away
From the healing game

Where the choirboys sing
Where I've always been
Sing the song with soul
Baby don't you know
We can let it roll
On the saxophone
Back street Jelly Roll
In the healing game

Where the homeboys sing
Sing their songs of praise
'Bout their golden days
In the healing game

Sing it out loud
Sing it in your name
Sing it like you're proud
Sing the healing game
Sing it out loud
Sing it in your name
Sing it like you're proud
Sing the healing game

Sing the healing game
Sing the healing game
Sing it in your name
Sing the healing game....
