

Van Morrison, The Smile You Smile

The smile you smile as you and I
See through your laughing eyes
The smile you smile as you and I
See through your laughing eyes
Oh, baby
In the whirlpool of them, I
Can be in paradise

I'd go roamin' in the gloamin'
Ever and a day with you
Oh yes, I will
I'd go roamin' in the gloamin'
Ever and a day with you
Oh baby
Sit between the stars and say
That's my point of view
Oh yes

I, I, I, I, love you

I, I, I, I, love you

In the purple heather
On a hillside mountain fog will stray
Oh yeah
In the purple heather
On a hillside mountain fog will stray

Oh yeah
An' chase the colored grass
Around us in the same old way

I, I, I, I, love you, baby
I, I, I, I, love you, oh yeah
