

# Van Morrison, The Smile You Smile

The smile you smile as you and I  
See through your laughing eyes  
The smile you smile as you and I  
See through your laughing eyes  
Oh, baby  
In the whirlpool of them, I  
Can be in paradise

I'd go roamin' in the gloamin'  
Ever and a day with you  
Oh yes, I will  
I'd go roamin' in the gloamin'  
Ever and a day with you  
Oh baby  
Sit between the stars and say  
That's my point of view  
Oh yes

I, I, I, I, love you

I, I, I, I, love you

In the purple heather  
On a hillside mountain fog will stray  
Oh yeah  
In the purple heather  
On a hillside mountain fog will stray

Oh yeah  
An' chase the colored grass  
Around us in the same old way

I, I, I, I, love you, baby  
I, I, I, I, love you, oh yeah
