

# Van Morrison, Vanlose Stairway

Send me your picture  
Send me your pillow  
Send it through Krishna  
On the Vanlose Stairway

Send me your bible  
Send me your Gita  
I want to reach you  
On the Vanlose Stairway

And your stairway  
Reaches up to the moon  
And it comes right back  
It comes right back to you

Send me some loving  
Send me some kissing  
You know what I'm missing  
On the Vanlose Stairway

On the Vanlose Stairway  
Right there, hold it

And your stairway  
Reaches up to the moon  
And it comes right back  
And it comes right back to you

Send me your bible child  
Send me your Gita...
