

# Van Morrison, What's Wrong With This Picture?

(Van Morrison)

What's wrong with this picture?  
There's something I'm not seeing here  
What's wrong with this picture?  
Something that's not exactly clear  
What's wrong with this picture?  
Does it look like it's just another sting?  
'Cos it don't mean a thing  
If it ain't got that swing and ring a ding ding

What's wrong with this picture?  
Doesn't anybody see  
That's who everyone thought  
That I used to be  
What's wrong with this picture?  
It's only hanging on a wall  
So you can go right back to sleep  
And just forget about it all, because

I'm not that person anymore  
I'm living in the present time  
Baby, don't you understand  
I've left all that jive behind

You can't believe what you read in the papers  
Or half the news that's on TV  
Or the gossip of the neighbours  
Or anyone who doesn't want you to be free

I'm not that person anymore  
I'm always living in the present time  
Don't you understand  
I left all that jive behind

What's wrong with this picture?  
It's only hanging on the wall  
Why don't we take it down and  
Just forget about it 'cos that ain't me at all
