and I'll whistle.

You say "France";
and I'll whistle.

I'll whistle,

you say "France";

No, you say "France"; and I'll whistle.

No, no, you whistle and I'll say "France";

No, no, you say "France"; and I'll whistle.

Yeah, you whistle, I'll say "France";, yeah.

No, no,

you say "France"; and I'll whistle.
