

Van Zant, Goes Down Easy

YES SIR!

I don't care if it comes in a bottle
I don't care if it comes in a can
I don't care if it's stirred or shaken
Make it two, give me one for both hands

If it goes down easy
It makes you feel good
If it goes down easy
It makes you feel good

Sign on the wall says,
"No Dancing on the Tables"
She never lets the rules get in her way
She got the whole joint jumpin' and goin' crazy
She grabbed my hand and danced me right out the place

If it goes down easy
It makes you feel good
If it goes down easy
It makes you feel good

Might be one of those fine French wines

Might be some good ol' down home brew
Long as we get to have a good time
Most times anything will do

If it goes down easy
It makes you feel good
If it goes down easy
It makes you feel good

There's things in life that just keep gettin' better
I said no but I guess maybe, I mean yes
Hey she insisted
So I just had to let her
When it's that smooth, who really cares what anybody says

So If it goes down easy
It makes you feel good (It makes you feel good)
If it goes down easy
It makes you feel good

Keep it comin', baby fill up my glass
It's kickin' in and I like it like that
Maybe we shouldn't, maybe we should
All I know is it makes you feel good
