

Van Zant, It's All About You

I see it in your face
I know your workin' hard
Kids screamin', phone ringin'
25 hours a day
Doing what you do

You drive the kids to school
Try to go to work
Cars stop, gridlocked
Here you go again
Hey it's all about you

So hold on baby I'm coming home
I've got a little something to turn you on
I'll turn the lights down low, set a little table for 2
Tonight it's all about you

You make our house a home
Make that dollar stretch
Sales on, Coupons
Baby I can't believe
All the things that you do

I know that I've been blessed
To have you in my life
I trust your love

And when I give thanks
Yeah It's all about you

So hold on baby I'm coming home
I've got a little something to turn you on
I'll turn the lights down low, set a little table for 2
Tonight it's all about you

You know it's not about me
Baby you'll see
It's all about you

So hold on baby I'm coming home
I've got a little something girl to turn you on
I'll turn the lights down low, set a little table for 2
Just hold on baby I'm coming home
I've got a little something girl to turn you on
I'll turn the lights down low, set a little table for 2
Tonight it's all about you
Baby
Tonight it's all about you
Oh Baby
Tonight it's all about you
Yeah! Girl it's just me and you
Tonight it's all about you
Oh Baby
