

Van Zant, We Can't Do It Alone

"We Can't Do It Alone"
(Donnie Van Zant/Johnny Van Zant/Brett James)

I wear this cross 'cause I believe
He shed his precious blood so I'd be saved
And daddy had a gold one just like me
And when he died he wore it to his grave

He said "Don't you cry son,
'Cause in the long run
We'll all be together again"

'Cause we're all God's children
Sinners tryin' to make it to the light
Ain't no easy livin'
So hold on to one another
We're all sisters, we're all brothers
Just tryin' to find our way back home
And no we can't do it alone

No no no no no

Now I see the world through my child's eyes
And I wonder...where it's all gonna go
Things are hard, these are troubled times
You know the devil's always trying to steal your soul

And the older I get
The more I see that
More love is always what we need

'Cause we're all God's children

Sinners tryin' to make it to the light
Ain't no easy livin'
So hold on to one another
We're all sisters, we're all brothers
Just tryin' to find our way back home
And no we can't do it alone
And no one can be that strong
We can't make it on our own
We Can't Do it Alone

'Cause we're
ALL
GOD'S
CHILDREN
Sinners tryin' to make it to the light
Ain't no easy livin'
So hold on to one another
We're all sisters, we're all brothers
Just tryin' to find our way back home
And we can't do it alone
No no
Can't do it alone
No way, no way
Can't do it alone

No no no no no (no no no no no) (x2)
(no no no no no)
(no no no no no)
(no no no no no)
(no no no no no)

(no no no no no)
