

Vandenberg's MoonKings, Breathing

When your hart aint got a home
And you standing all alone
Don't know where your going
Where to turn to

When your world is up site down
And your feet are losing ground
Don't know where your going
Where to turn to

As long as you are breathing
Flowing blood in your veins
Never stop believing that you can do anything
Yeah
You've got power to keep holding on
You've got strength
You need to carry on
Never stop believing

When your tired of holding on
Till your hope is already gone
Don't no where you're going
Where to turn to

As long as you are breathing
Flowing blood in your veins
Never stop believing that you can do anything
Yeah
You've got power to keep holding on
You've got strength
You need to carry on
Never stop believing

When the walls are tumbling down
And you feel the weight of the world on your schoulders
Know I will be arround
Where ever your going

Every door you try is closed
You keep running into walls
Don't know where your going
Where to turn to

As long as you are breathing
Flowing blood in your veins
Never stop believing that you can do anything
Yeah
You've got power to keep holding on
You've got strength
You need to carry on
Never stop believing
