

# Vanessa Amorosi, Get Here

Do, do do do do..  
Get, get, get here (x2)  
Get here if you can...

You can reach me by railway,  
You can reach me by trailway,  
You can reach me on an aeroplane,  
You can reach me with your mind.  
You can reach me by caravan,  
Cross the desert like an arab man,  
I don't care how you get here, just get here if you can

I need you right here right now (do do do do do)  
Get here if you can

I need you right here right now (do you you you you you you)  
Get here if you can

Do do do do do..  
Get, get, get here  
Do, do do do do..

You can reach me by sailboat,  
Climb a tree and swing from rope to rope,  
Take a sled and slide down a slope,  
Into these arms of mine...  
You can jump on a speeding boat,  
Cross the border in a blaze of hope  
I don't care how you get here,  
Just get here if you can...

There are hill's and mountains between us,  
Always something to get over,  
And if I had my way,  
Surely you would be closer,  
I need you closer,  
I need you right here, right now (Do do do do do)  
Get here if you can

I need you right here right now (Do you you you you you you)  
Get here if you can

Get,get, get here

You can wind-surf into my life,  
Take me up on a carpet ride,  
You can make it in a big baloon,  
But you better make it soon  
You can reach me by caravan,  
Cross the desert like an arab man  
I don't care how you get here,  
Just get here if you can

I need you right here, right now (Do do do do do)  
Get here if you can

I need you right here right now (Do you you you you you you)  
Get here if you can

Get here if you can (x2)
