

# Vanessa Amorosi, Sun's Up

The water, is calling out your name,  
No your not insane,  
It's whispering your name.  
And the wind, pulling you closer in,  
Feel it under your skin,  
Feel it movin' within.

World ain't falling down again,  
Well it ain't what it seems,  
Well it ain't what it is;  
You ain't provoked by your sin,  
'Cause you can't tell a lie,  
'Cause you lie within.

The sun's up,  
And the surfs fine;  
But there's something weighting on your mind;  
The sun's up,  
And the surfs fine;  
But there's something weighting on your mind.

Powerful as it seems,  
Forever for all the dreams...;  
All that you wanna believe;  
All the games,  
Running through the fields,  
Hoping it stays for real,  
Trying to make a special deal.  
Ohhh...

The world ain't falling down again,  
Well it ain't what it seems,  
Well it ain't what it is;  
You ain't provoked by your sin,  
'Cause you can't tell a lie,  
Oh you lie within.

The sun's up,  
The surfs fine;  
But there's something weighting on your mind;  
The sun's up,  
The surfs fine;  
But there's something weighting on your mind.

It's a powerful thing,  
If you use it well....  
And when it's here and it's seen,  
It's something else.....  
Yeah...  
Yeah...  
Ohh..  
Yeah...

The sun's up,  
And the surfs fine;  
But there's something weighting on your mind;  
The sun's up,  
The surfs fine;  
But there's something weighting on your mind.

(Ooooooooooooo...)  
The sun's up,  
The surfs fine;  
(Ooooooooooooo...)

(Ooooo...)  
The sun's up,  
(Ooooo...)  
The surfs fine;  
(Oooooooooooooo...)  
(Ooooo...)  
(Ooooo...)  
(Oooooooooooooo...)
