Vanessa Amorosi, Take Me As I Am

I ain't no perfect six, Ain't turning any dirty tricks, To get me where I wanna be; Not gonna be a star, In a backseat of a car, I'm standing on my own two feet. Oh, not gonna play no games, Now or ever; I got forever to be me.

Take me as I am, 'Cause I'm through with changin', I'm not playin games, no; Gonna tell ya how I feel, No more re-arrangin'; What you see is what you get, Oh take me as I am.

Mmm, don't need no push up bra, No see through clothes no fancy car, I got my own identity (I got my own identity); Won't need no lace and frills, A pretty dress don't give me thrills, I'm gonna tell it like I see. Oh, not gonna play no games, Now or ever; I got forever to be me.

So Take me as I am, 'Cause I'm through with changin', I'm not playin games, no no; Gonna tell ya how I feel, no more re-arrangin'; What you see is what you get, Oh take me as I am... take me as I am...

Don't need no precious fix, To take my blues away; I found the answer to get high... I'm gonna be myself exactly as I am; Just watch me now I'm gonna fly....

Not gonna play no games, Now or ever; I got forever to be me.

So Take me as I am, 'Cause I'm through with changin', I'm not playin games, no no; Gonna tell ya how I feel, no more re-arrangin'; What you see is what u get, and what I need you wont forget Take me as I am... Take me as I am... Take me as I am, No more re-arrangin; What you see is what you get, Oh take me as I am.
