

Vanessa Carlton, Eighth World Wonder

Woke up early this morning
Made my coffee like I always do.
Then it hit me from nowhere.
Everything I feel about me and you.

The way you kiss me crazy.
Baby you're so amazing.

Seven days and seven nights of thunder.
The water's rising and I'm slipping under.
I think I fell in love with the eighth world wonder.

I guess that I'm just falling .
Deeper into something I've never known.
But the way that I'm feeling makes me realize that it can't be wrong.

Your love's like a summer rain .
Washing all my doubts away.

Seven days and seven nights of thunder
The water's rising and I'm slipping under
I think I fell in love with the eighth world wonder

It's only been a week but.
It's coming over me ..
It's making me believe that .
You're the one for me.

Seven days and seven nights of thunder.
The water's rising and I'm slipping under.
I think I fell in love with the eighth world wonder.

Seven days and seven nights of thunder.
The water's rising and I'm slipping under.
I think I fell in love with the eighth world wonder.

Seven days and seven nights of thunder .
The water's rising and I'm slipping under .
I think I fell in love with the eighth world wonder.

Seven days and seven nights of thunder.
The water's rising and I'm slipping under.
I think I fell in love with the eighth world wonder.
