

# Vanessa Carlton, More Than Wanted

I have wandered far and wide  
For something real something to die for  
But I have found you and you do not see  
All that is me, all that is true

And I am more than you will see  
And I am more than you will need  
And I am more than you will see  
More than wanted

And as you float the flimsy surface  
You should know life lies beneath it  
And don't pretend you feel what I feel  
For you live illusion and I'm real

And I am more than you will see  
And I am more than you will need  
And I am more than you will see  
More than wanted

And I am more than you will see  
And I am more than you will need  
And I am more than you will see  
More than wanted

And I know, I know  
You like the way you feel when I play  
I know, I know  
You don't really hear what I say  
And I know, I know  
You are waiting for something to reign  
I know, I know  
You wish you could be more than you say

And I am more than you will see  
And I am more than you will need  
And I am more than you will see  
More than wanted

And I am more than you will see  
And I am more than you will need  
And I am more than you will see  
More than wanted

More than you'll love  
More than you'll hate  
More than you'll have  
More than wanted

More than you'll need  
More than you'll dream  
More than you'll hold  
More than wanted

More than you'll crave  
More than you'll cherish  
More than you'll have  
More than wanted
