

# Vanessa Carlton, Ordinary Day (Live Version)

Just a day,  
Just an ordinary day.  
Just tryin' to get by.  
Just a boy,  
Just an ordinary boy.  
But he was looking to the sky.  
And as he asked if I would come along  
I started to realize-  
That everyday he finds  
Just what he's looking for,  
Like a shooting star he shines.

He said take my hand,  
Live while you can  
Don't you feel in dreams I ride in the palm of your hand

And as he spoke, he spoke ordinary words  
Although they did not feel, no  
For I felt what I had not felt before  
You'd swear those words could heal.  
And as I looked up into those eyes  
His vision borrows mine.  
And to know he's no stranger,  
For I feel I've held him for all of time.

And he said take my hand,  
Live while you can  
Don't you feel in dreams I ride in the palm of your hand  
in the palm of your hand

Please come with me,  
See what I see.  
Touch the stars for time will not flee.  
Time will not flee.  
Can you see.

Just a dream, just an ordinary dream.  
As I wake in bed  
And the boy, that ordinary boy.  
Or was it all in my head?  
Did he asked if I would come along  
It all seemed so real.  
But as i looked to the door,  
I saw that boy standing there with a deal.  
And he said he my take my hand,  
Live while you can,  
Don't you feel in dreams I ride in the palm of your hand  
in the palm of your hand  
in the palm of your hand

Just a day, just an ordinary day  
Just tryin' to get by.  
Just a boy,  
Just an ordinary boy.  
But he was looking to the sky.
