

# Vanessa Carlton, Unsung

If only I could get into that corner of your head  
Where things finally match, and meet the standards that you set  
Oh, how I wish I was the treasure that you were lookin' for  
Bet I would feel better, if only I could find the door

I am cryin'  
You aren't tryin'  
I am melting away

(chorus)  
I wait for the words on the tip of your tounge  
I'm only as good as the last one  
Well you decide and I abide, as my song goes unsung (yeah, yeah, yeah)

Things are goin' crazy and I'm not sure who to blame  
Everything is changing and I do not feel the same  
I'm slippin' through the cracks of floors I thought that were strong  
I'm tryin' to find a place where I can feel like I belong

Well, I am cryin'  
You aren't tryin'  
I am melting away

(chorus)

If I could be the lesson that you learn, you learn if only  
I could be the last one that love burns, its burns...yeah  
(2x)

If only I could get into that corner of your head  
Where things finally match, and meet the standards that you set  
Oh, how I wish I was the treasure that you were lookin' for  
Bet I would feel better if I could find the door

Well, I am cryin'  
You aren't tryin'  
And I am melting away

(chorus)
