

Vanessa Hudgens, Come Back To Me

(Some dude)
Ha ha
Ya'll need to get ready to hear
The unbelievable, indescribable
Vanessa Hudgens, Baby V

(Vanessa Hudgens)
Baby come back

(Verse)
Everyday I try to play another game
But my heart can't take it
I try to find another boy
But all the while I can't face it (baby come back)
Why do I miss you so much
I wanna stop this hurt inside
Oh baby please
Give us one more try

Baby come back

I see you out with all your friends
Laughing it up as you pretend
To have a good time (good time)
I know cause I'm living the same life (same life)
Well, one of us has got to say
"We can't keep living this same way"
So I'll be the one
Yeah I'll say it, I'll say it, I'll say it, I'll say it again

(Chorus)
Baby come back to me
In my heart I still believe
We were meant to be
Together so whatever it takes

Baby come back

Baby come back to me
I should've never set you free
My baby
Come back

Baby come back

(Verse)
I wanna call, but then I stall
Cause after all, I just couldn't take it
Cause if your play was to push me away
You know the day, my heart you'd break it

Baby come back

I know I made a mistake (I know)
Can't you stop your foolish pride
And come back to me
Let's try it, let's try it, let's try it, let's try it again

(Chorus)
Baby come back to me (come back)
In my heart I still believe
We were meant to be (oh, oh)
Together so whatever it takes

Baby come back

Baby come back to me (come back)
I should've never set you free
My baby
Come back

Baby come back

(Spoken)
You know you miss your Baby V
And I can see that you think about me
So why do you act like you don't care (oh)
Like all this love between us isn't there
I know that you're upset (hey)
I know I did you wrong (hey)
I know that you want me to pay for all the pain I've caused
But in the end it all comes down to just one thing
It's you and me
So I sing

Baby come back

(Chorus)
Baby come back to me
In my heart I still believe (oh, oh, oh)
We were meant to be
Together so whatever it takes (Baby V)

Baby come back

Baby come back to me (come back)
I should've never set you free
My baby
Come back

Baby come back
