

# Vanessa Hudgens, Everyday

Everyday

Once in a lifetime  
Means there's no second chance  
So I believe that you and me  
Should grab it while we can

Make it last for ever  
And never give it back  
It's our turn, and I'm loving, where we're at  
Because this moment's really all we have

Everyday  
Of our lives  
Wanna find you there, wanna hold on tight  
Gonna run  
While were young  
And keep the faith  
Everyday  
From right now  
Gonna use our voices and scream out loud  
Take my hand  
Together we will celebrate, celebrate  
Oh, everyday

They say that you should follow  
And chase down what you dream  
But if you get lost and lose yourself  
What does it really mean?

Ohh, no matter where were going  
It starts from where we are  
Theres more to life when we listen to your hearts  
And because of you, ive got the strength to start  
Yeah yeah yeah

Everyday  
Of our lives  
Wanna find you there, wanna hold on tight  
Gonna run  
While were young  
And keep the faith

Everyday  
From right now  
Gonna use our voices and scream out loud  
Take my hand  
Together we will celebrate, celebrate  
Oh, everyday

We're taking it back  
We're doing it here together

It's better like that  
And stronger now  
Than ever!

We're not gonna lose  
Cause we get to choose  
That's how its gonna be

Everyday  
Of our lives

Wanna find you there, wanna hold on tight  
Gonna run  
While were young  
And keep the faith  
keep the faith

Everyday  
Of our lives  
Wanna find you there, wanna hold on tight  
Gonna run  
While were young  
And keep the faith  
Everyday  
From right now  
Gonna use our voices and scream out loud  
Take my hand  
Together we will celebrate, celebrate  
Oh, everyday

Everyday everyday everyday everyday
