

Vanessa Hudgens, Everyday

Everyday

Once in a lifetime
Means there's no second chance
So I believe that you and me
Should grab it while we can

Make it last for ever
And never give it back
It's our turn, and I'm loving, where we're at
Because this moment's really all we have

Everyday
Of our lives
Wanna find you there, wanna hold on tight
Gonna run
While were young
And keep the faith
Everyday
From right now
Gonna use our voices and scream out loud
Take my hand
Together we will celebrate, celebrate
Oh, everyday

They say that you should follow
And chase down what you dream
But if you get lost and lose yourself
What does it really mean?

Ohh, no matter where were going
It starts from where we are
Theres more to life when we listen to your hearts
And because of you, ive got the strength to start
Yeah yeah yeah

Everyday
Of our lives
Wanna find you there, wanna hold on tight
Gonna run
While were young
And keep the faith

Everyday
From right now
Gonna use our voices and scream out loud
Take my hand
Together we will celebrate, celebrate
Oh, everyday

We're taking it back
We're doing it here together

It's better like that
And stronger now
Than ever!

We're not gonna lose
Cause we get to choose
That's how its gonna be

Everyday
Of our lives

Wanna find you there, wanna hold on tight
Gonna run
While were young
And keep the faith
keep the faith

Everyday
Of our lives
Wanna find you there, wanna hold on tight
Gonna run
While were young
And keep the faith
Everyday
From right now
Gonna use our voices and scream out loud
Take my hand
Together we will celebrate, celebrate
Oh, everyday

Everyday everyday everyday everyday
