

# Vanessa Hudgens, Start of something new

Living in my own world  
Didn't understand  
That anything can happen  
When you take a chance  
I never believed in  
What I couldn't see  
I never opened my heart  
Ohhhhh  
To all the possibilities, ohhhhh  
I know...  
That something' has changed  
Never felt this way  
And right here tonight  
This could be the start  
Of something' new  
It feels so right  
To be here with you...oh  
And now, looking' in your eyes  
I feel in my heart  
Feel in my heart  
The start of something new  
Ohhhh,yeah  
Now who'd of ever thought that  
We'd both be here tonight  
And the world looks so much brighter  
With you by my side  
I know that something has changed  
Never felt this way  
I know it for real  
This could be the start  
Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart  
The start of something new  
I never knew that it could happen  
Till it happened to me  
I didn't know it before  
But now it's easy to see  
It's a start  
Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart  
That it's the start  
Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart  
The start of something new  
Start of something new
