

Vanessa Paradis, Marilyn & John (Version Anglaise)

Marilyn was Russian
And she called John...
The sun...
Admiration, vibration
Just in L.A.
Fast song
Just power, just soul
Just Rhythm and a view
And just swing from the South
And from there he knew
Marilyn was alone

On the wrong vibration
Just a phon-call coin away
From the sun...

Marilyn

Marilyn was an alien
And she called John
Home...
Admiration, frustration
Just in L.A.
Fast song
Just perfume, just flesh
And from there he knew
Marilyn was alone

In the wrong direction
Just a phone-call coin away
From the sun...
