

Vanessa Petruo, I Don't Need A Good

It doesn't seem so late
Though
I'm really - really tired now Vanessa
I've been in war
I'm back somehow
Aha
I could but did not fly Petruo
Though I carried little wings
Paralysed
But now I run
Yeah Don't
But now I run
Yeah
Oh
I'm gonna lick my wounds Need
I'm my own lawyer now
And some scars are beautiful somehow Gun
Aha
Oho
I learned to say what I think
And sing it my own way Songtexte
Ha
I'm in the mood to sing and dance
I'm in the mood to talk today, baby Songtext
Yeah
I don't need a gun
I rearranged my life Lyrics
I was born again
And now I feel real love inside Lyric
Ah
I don't need a gun
I rearranged my life Liedertexte
'cause now I know
Real love comes from inside
At times you really cared Liedertext
You said:
"Please love me, if you can!"
But I wasn't able to love myself Alle
God damn
Oho
Easy to destroy
But glass only breaks once Vanessa
Don't keep on tellin'
That's what I want
That's not what I want Petruo
No
Now I'm missin' U like hell
Desperation on demand Don't
And it's still hard to clap with just one hand Need
Oho
If I had to chain-chain-change
It would be U to blame Gun
'cause it would kill me - kill me - kill me
If I couldn't stay Songtexte
Stay the same
I don't need a gun
I rearranged my life Songtext
I was born again
And now I feel real love inside Lyrics
Ah
I don't need a gun
I rearranged my life Lyric
'cause now I know
Real love comes from inside

I don't need U Liedertexte
No, I don't need U anymore
Aha
I felt a pain I can't describe Liedertext
But now I am free inside
I'm feelin' free inside Alle
No...
I don't need a gun
I rearranged my life Vanessa
I was born again
And now I feel real love inside Petruo
Ah
I don't need a gun
I rearranged my life Don't
'cause now I know
Real love comes from inside
