

Vanessa Williams, Open Your Eyes, You Can Fly

[Intro - Speakout:]

Never be afraid to love
Never be afraid to just be
Just cast away the chains of doubt
Have the courage to be free

Don't cloud your rise with father's lies
See only what you want to see
To stuplicate the simple truth
Have the courage to be free

Open your eyes You can fly
Open your eyes You can fly
You can fly (uh uh)
You can fly

Never be afraid to love (no, no, no...)
Never be afraid to just be
Cast away the chains of doubt
Have the courage to be free

Open your eyes You can fly (fly away)
Open your eyes You can fly
You can fly (fly, fly, fly)

Open your eyes (yeah) You can fly (fly away)
Open your eyes You can fly
You can fly (mhh)
You can fly (fly away mhhm)

[Speakout:]

Remember,
You can't wait for others to applaud what you do
So just congratulate yourself
And start something new

Open your eyes You can fly (open your eyes)
Open your eyes You can fly (you can fly with me)
You can fly (fly)

Open your eyes (eyes) You can fly (baby yeah)
Open your eyes (fly away with never) You can fly (fly away with never)
You can fly
You can fly (mhh fly away way way)

Open your eyes (open your eyes) You can fly
Open your eyes (baby) You can fly
You can fly (no open this)

Open your eyes
