

# Vanessa Williams, Running Back To You

Boy, you've been running around too long  
Now I think you're running out of time  
No more jumping in and out of my bed  
It's time for me to draw the line  
So you think you can call me the only one, then walk out the door  
And you think you can run around having fun,  
And just come back for more

[Chorus:]

I think you're living in a fantasy  
It's got to be them or me  
So if you try it one more time  
Baby don't expect me to come running back to you

Running back to you  
Then you'll think about love, all the good I gave to you  
I won't come running back, running back to you  
I won't come running back, running back to you  
And I'll find someone, somebody else to give it to

Oh oh, oh oh  
I won't come running back  
I won't come running

Oh oh, oh oh  
I won't come running back  
I won't come running

Boy, hope you see before it's too late  
I won't play the fool - no not this time  
And I'll show you just how wrong you are  
To think I just can't get you out of my mind

So you think you can just play me off, then walk out the door  
And you think that you can just run around and come back for more

[Chorus]

You can't dis me when you wanna  
Or come and go when you wanna  
I hear you're playing around when you wanna  
Any time that you wanna  
Or just tell me lies when you wanna  
I got more than you want oh  
Oh, and by the way

Oh, oh I won't come running back, I won't come running  
Oh, oh I won't come running back, I won't come running  
Running back to you  
Then you'll think about love, all the good I gave to you

I won't come running back, running back to you  
I won't come running back, running back to you  
And I'll find someone, somebody to give it to

Oh oh, oh oh  
I won't come running back  
I won't come running

Oh oh, oh oh  
I won't come running back  
I won't come running
