

Vanessa Williams, You Are My Home

All of my life
I've been searching
For someone to find me.
I have been looking
Waiting for your arms
To hold me.

You took me
In from the cold
And out of the dark
You have taken me
Into your heart.

You are my home.
You are the one that I come to,
You are the shelter I run to to keep me safe from the storm.
You are my home.
You are the love that completes me.
You are the touch that has freed me.
I look in your eyes
And I know
You're my home.

You were the light in the window
When I couldn't find my way.
You led my heart to
A warm, tender place
Here beside you.

You're where I always will be,
You're where I belong.
I've been looking for you
For so long!

You are my home.
You are the one that I come to.
You are the shelter I run to to keep me safe from the storm.
You are my home
You are the love that completes me,
You are the touch that has freed me.
I look in your eyes
And I know
You're my home,

And I'll never be alone.

You are my home.
You are the one that I come to.
You are the shelter I run to to keep me safe from the storm.
You are my home.
You are the love that completes me.
You are the touch that has freed me.
I look in your eyes
And I know
You're my home.

Baby, baby,
Baby, you're my home.

I look in your eyes
Te miro a los ojos
Y me haces sentir
Baby, Baby, Baby, Baby
You're my home.

You're my home.
