

# Vanilla Ninja, Though enough

Baby only the strong would survive  
Over mysteries of life  
Only fantasy keeps you away  
In the lonely fields of those broken shields  
Ref:

So keep on kicking  
The bomb is ticking  
Don't stop, don't be a runaway  
Go for the fire  
Baby are you tough enough  
Just keep on living  
And don't start giving  
The devil good reasons  
To get you in the seasons of heartbreak  
Baby are you tough enough  
Yeah my skin is a dangerous place  
Never trust my smiling face  
With a touch I can change all your dreams  
And my kiss can wake feelings you can't take  
Ref:

Bridge:  
I will meet you there  
'cos I need you there  
Oh tonight

(2x)Ref:  
Baby are you tough enough
